

WONDERING WHERE TO LAY YOUR WEARY HEAD? FILL YOUR BELLY? FIND YOUR FUTURE HUSBAND?

That “future husband” bit might be a bit tricky, but we’ll do our damndest. See below for everything else you need to know about playing with the Lucky Break creative team in the ATL! We’re parking you right on the heart of the city. Rest assured that we carefully select venues which are conveniently located near reasonably-priced hotels, several dining options and... not in some crazy part of town where one feels the need to have mace in-hand at all times, so rental cars really aren’t needed.

You’re cordially invited to stay over an extra day + enjoy the energy of downtown Atlanta. We’re across the street from Centennial Olympic Park. Around the corner from the famed Georgia Aquarium. In the shadow of the new 200’ Skyview ferris wheel. A short walk from CNN World Headquarters. There’s no shortage of ways to celebrate your successes after a long weekend with the Lucky Break creative team.

WHERE TO LAY YOUR WEARY HEAD

Please contact the hotel of your choice directly to make your reservations. If you’re interested in finding a roomie for additional cost savings, then shout it out on our private Facebook (we’ll get you connected to the group once you reserve your spot) + we’ll do our level-best to match up attendees.
